## खाद वनिमिय एवं अनुपालन केंद्र

### FRCC Internship Schemes 2021

Food Regulation and Compliance Centre (FRCC) is an independent, research and advocacy based multi-disciplinary national level scientific organization provides strength to national food regulatory frameworks and enhancing its compliance through independent scientific advice. Food Regulation and Compliance Centre also educates consumers regarding food safety compliance and effective implementation of Food safety Management System.

FRCC offers Internships across different streams such as – Sales, Marketing, HR and Supply Chain & Food Technology through a well-defined and robust selection procedure in conjunction with the campuses. The idea behind offering internships is to provide young students with opportunities to undertake live projects with us through a well-designed internship program with a clear focus to provide practical exposure. During an internship with FRCC each one of us works towards providing the interns with the avenues that help them to familiarize themselves with some of best business practices and meet some of the finest experts in the industry.

#### Internship Stream

1. Food Safety Management System.
2. Food Nutrition & Fortification.
3. Food Testing and Analysis
